About Above the Radar Reiki

Above the Radar Reiki is an intention-based energy that helps the recipient open the aura to receive positive attention and recognition. It helps release fears of being seen or noticed.

Above the Radar Reiki is not just for shy people. It is also for those who have intentionally or unintentionally clipped their own wings to avoid standing out in a crowd.

Staying “below the radar” may be a way to play safe, but it can hold you back when it comes to getting what you want in life. Above the Radar Reiki will help open the chakras and aura to allow the right kind of positive attention to bring gifts of love, prosperity, and success.

To Activate

Simply repeat the word “radar” mentally to activate the energy. Otherwise, use the energy as you would with traditional Reiki. It is especially helpful to apply it to the third chakra (solar plexus).

To Attune Others

Connect to your higher self, and then the higher self of the recipient. Ask to connect to the Above the Radar Reiki energy. See it as “a golden ball of light”.

Use your traditional attunement method if in person to send the ball of light into the chakras.

Via distance, imagine the person in front of you as you send the ball of light to the recipient.

There is no time-limit or limit on re-attunements.

This energy can be freely shared with anyone, and it is also OK to charge for providing a personalized attunement if you offer attunements as part of your Reiki practice.

Please share.
